The ABA now has sole responsibility for the Christmas Lights, while the town council has agreed to look after the hanging baskets. The lights are a vital part of the High Street at Christmas but storage, maintenance, erection and removal cost us over £6,000 in 2016. Can you help? Donors will receive a window sticker and acknowledgement in local publicity. Donations over £100 will be acknowledged on a lamppost for the duration of the lights.

Please indicate the amount you are donating here: \_\_\_\_\_
